

AACIS DATACENTER USER AGREEMENT & DISCLAIMER

Information and data provided through the AACIS website is derived from government and private agencies. Measures are taken to ensure that this information, data, and its presentation are accurate; however inadvertent errors may occur. Please know that AACIS, nor any of its sponsors or partners, make any guarantees about the information or data and are not responsible for the products or resulting analysis based on the data obtained from the AACIS website. Conclusions drawn from the information and data accessed through AACIS are the sole responsibility of the user. AACIS is not responsible for any damages resulting from, without limitation, use of the data and information on this website. We reserve the right to make changes to the AACIS website, its content, or data sources at any time without notice.

By using any data or information accessed through the AACIS website, you acknowledge that: 1) AACIS is a non-profit resource and 2) you agree not to make any claim against AACIS, or any of its sponsors or partners, for any reason relating thereto.

We strive to provide information and access to data that is accurate and reliable. Please make us aware of any information or data on the AACIS website that is misleading, inaccurate, or otherwise inappropriate. We will make a reasonable effort to resolve the issue to the best of our abilities.
